

CEUs

CEII provides continuing education credit for licensed health and allied health professionals including nurses, therapists, dietitians, social workers, counselors, and more.

We support you from start to finish. We are your partner, helping you succeed in your goals to educate professionals, promote your organization and reach out to the community. Get your program approved or tap into over 200 approved presenters in a variety of formats including lunch-and-learns, half or full-day workshops, conferences and webinars.

CMEs

CEII is the only organization of its kind to be approved by the Illinois Department of Professional Regulation to provide continuing medical education to physicians.

We work with you to assure that unique, meaningful education is accessible to physicians that meets their needs for skill development, practice improvement and patient satisfaction. Submit your program for approval or book a pre-approved practitioner in a variety of formats. Our review process is streamlined and offers personalized assistance.

Your *Concerns* → Our *Solutions*

- The process of approval for CEUs and CMEs is **arduous** and **costly**... → CEII has **simplified processes** and will **help you through every step**. We work with you to recognize your unique needs and fit your budget.
- Education **doesn't** offer quality, up-to-date content or meet professional standards. → **With CEII**, presenters and content are vetted so **programs are always compliant**.
- We don't have systems** in place to **monitor** and consolidate continuing education **attendance**... → CEII has over **20 years' experience** in collecting and organizing data on attendance, quality and satisfaction.
- Different disciplines** within our organization **lack access** to education on **shared topics**... → **We help you standardize information** across all lines of communication to strengthen multi-disciplinary teams and community bonds.
- We need continuity** in the **messages** that we send to our staff or customers/clients... →
